**Subject:** Kokomo Dump Site Action Items

As discussed this morning, please provide me with the following items by the dates listed below.

1. Updated schedule: Submit by June 12. This should include everything in the work plan plus the waste pile work plan and sampling.
2. Geophysical survey report: Submit by June 13th.
3. Analytical results: Submit by June 30.
4. Waste pile sampling work plan: Due on July 7th.

Thanks,

Shelly
